### Provider Description

#### Information provided by the provider describing their agency:

Compassionate and dedicated nursing professional offering thirty five years nursing experience. Sixteen of those years were with the State of Ct. serving individuals with developmental disabilities. Working as a Clinical Nurse Coordinator, I provided strong advocacy for both medically and behaviorally challenged individuals. My primary focus during those sixteen years, was within the Individual and Home Supports Program, formerly called the Supported Living Program as well as working within the Individuals and Families Program. I am well versed in the expectations identified in the DDS Quality Job Performance Standards, DDS protocols and procedures, as well as with working within an interdisciplinary team.

I appreciate your consideration in having me on your team and welcome the opportunity to do so.
